Have you ever wondered what goes on behind the big green doors of our bandroom?
Have you ever thought you’d like to learn to play in a brass band?

Then come along to our Open Day on
Saturday 16th March between 10am and 3pm.

We’re offering tea and cake or coffee and biscuits and a chance to look around our bandroom, explore our exhibition of the band’s history in Water village, and have a go with one of our bright, shiny, brass instruments.

If you can’t make it on 16th June then we’ll make you welcome at one of our regular practice sessions - Saturdays 9.30am to 12 noon, and Wednesday 7pm to 9pm.

Water Band - it’s free and it’s fun.

Water Band has been part of Water Village since 1866
